

## Fine Art/Digital Art Course(s) Supply List

Please review the list of required and recommended art supplies provided below. While the majority of the materials you will be using throughout the course ARE PROVIDED, some supplies cannot be due to the perishability.

The **REQUIRED** supplies are what you will need to complete the creative activities as well as fully participate in the class, while the **RECOMMENDED** ones are just suggestions, which might give you ideas as you create your artwork.
